

Toronto Estate Litigation Law Firm Awards Website Revamp Contract

Published: November 03, 2010

Web Technology Press Release:

Today, Schnurr Kirsh Schnurr Oelbaum Tator LLP, leaders in estate litigation, chose Parador to lead with new corporate website design, implement content management system (CMS) and set strategic SEO and Internet Online Marketing initiative.

Parador is honored to receive this contract and is very confident in achieving great results given the firms online presence started in 2001, keyword-rich domain name (estatelitigation.net) and current Google Page Ranking (PR).

Subscribe to our RSS Parador News feed when we update the results of our efforts with this and other professional service firm web technology projects.
